Freshman OnTrack at George Washington HS

of 2020–2021 first-time freshmen at George Washington HS were on-track to graduate from high school in 4 years. Students who are on-track at the end of ninth grade are nearly three times more likely to graduate from high school than students who are off-track. A student is on-track if they fail no more than one semester of a core course and earns at least 5 credits by the end of freshman year. Additionally, only students who earn a 3.0 GPA or above in high school have at least a 50 percent chance of graduating from a four-year college within six years.

What does Freshman OnTrack look like at George Washington HS and how does it compare to rates across CPS?

2020–2021 George Washington HS Freshmen

All 2020–2021 CPS Freshmen

How does 8th grade performance relate to 9th grade success at George Washington HS?

Freshman OnTrack and 3.0 rates for George Washington HS's first-time freshmen over time

We use a 3.0 GPA (or “Bs or better”) as an early indicator of college readiness, because high school GPA is the best available indicator of college success.

How do Freshman OnTrack rates vary by gender at George Washington HS?

Across the city, we see differences in freshman performance for young men and young women. Some of this difference is due to the different ways in which young women and young men experience the transition to high school. Explore [student OnTrack data](#) at George Washington HS across genders to reflect on how your school is supporting the academic and social development of students of different genders.
