| Community<br>Area                                                        | Number of 9th<br>Graders | Percentage of 9th<br>Graders |
|--------------------------------------------------------------------------|--------------------------|------------------------------|
| No community areas to show.                                              |                          |                              |
| Fewer than 5 community areas are represented by students in this school. |                          |                              |

#### 9th Grade On-Track

of 2021–2022 first-time 9th graders at Harper were on-track to graduate from high school in 4 years. A student is considered on-track to graduate at the end of their ninth-grade year if they have:

- Completed 5 course credits and
- Failed no more than 1 semester of a core course in their first year of high school

#### How do I use this dataset?

This report provides a snapshot of what 6 important milestones on the path to college completion look like for students at Harper. The report can be a starting place to ask deeper questions about Harper's data using the To&Through Online Milestones Tool like:

- What are the current milestone rates? How do these rates differ for different student groups?
- How have trends in these milestones changed overtime? What historical context and factors may have affected these rates?
- What additional context about student experiences can help me better understand these milestone rates?
