9th Grade On-Track at Morgan Park

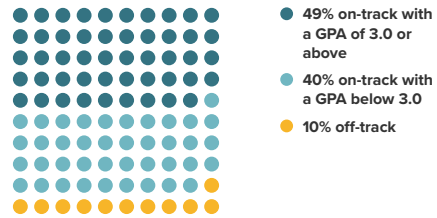

of 2021–2022 first-time 9th graders at Morgan Park were on-track to graduate from high school in 4 years. Students who are on-track at the end of ninth grade are nearly three times more likely to graduate from high school than students who are off-track. A student is on-track if they earn at least 6.5 total credits by the end of ninth grade, meaning they can fail no more than 1 semester course (including non-core subjects). Additionally, students who obtain a 3.0 GPA or above in high school are more likely to graduate from a four-year college within six years.

What does 9th Grade On-Track look like at Morgan Park and how does it compare to rates across CPS?

2021–2022 Morgan Park 9th Graders

All 2021–2022 CPS 9th Graders

How does 8th grade performance relate to 9th grade success at Morgan Park?

9th Grade On-Track and 3.0 rates for Morgan Park’s first-time 9th graders over time

We use a 3.0 GPA (or “Bs or better”) as an early indicator of college readiness, because high school GPA is the best available indicator of college success.

How do 9th Grade On-Track rates vary by gender at Morgan Park?

Across the city, we see differences in ninth-grade performance for young men and young women. Some of this difference is due to the different ways in which young women and young men experience the transition to high school. Explore [student OnTrack data](#) at Morgan Park across genders to reflect on how your school is supporting the academic and social development of students of different genders.

High School Graduation at Morgan Park

of 2018–2019 first-time 9th graders at Morgan Park graduated high school by spring of 2022. Graduating high school with a high level of academic achievement is among the most important markers along the road to college success. Students who graduate from high school with a GPA of 3.0 or above have at least a 50 percent probability of graduating from a four-year college within six years. In order to graduate from high school on time, students must obtain a minimum of 24 credits.

How many 9th graders at Morgan Park graduated from high school and what were the college access levels of those graduates?

Our college access framework breaks students into different groups based on their graduating GPA and ACT scores (or converted SAT scores). Students with selective access are likely to be accepted to selective and very selective four-year colleges, students with somewhat selective access are likely to be accepted to somewhat selective and non-selective four-year colleges, and students with two-year access are likely to be accepted to two-year colleges.

College Enrollment at Morgan Park

of 2022 high school graduates from Morgan Park enrolled in college in fall of 2022. Students' choice of college influences their likelihood of earning a college degree. Students who choose a college with a strong track record of graduating its students, and which fits their unique financial, geographic, and cultural needs, are more likely to earn a college degree or credential. College may not be the best path for every student, but due to data limitations, we are not currently able to track outcomes for non-college pathways (for example, military service, trade school, workforce).

What institutions do Morgan Park's college enrollees attend and what are the graduation rates of those institutions?

Students' choice of college influences their likelihood of earning a college degree. Students who choose a college with a strong track record of graduating its students are more likely to earn a college degree or credential.

2022 enrollment of Morgan Park graduates by the 5 most commonly attended colleges

| | Graduates Enrolled | URM Grad Rate | Institutional Grad Rate | Institution Type |
|---|--------------------|---------------|-------------------------|------------------|
| Western Illinois University | 33 | 40% | 51% | 4 year |
| Southern Illinois University-Carbondale | 22 | 28% | 45% | 4 year |
| Northern Illinois University | 17 | 39% | 51% | 4 year |
| City Colleges of Chicago-Kennedy-King College | 9 | 24% | 29% | 2 year |
| Chicago State University | 7 | 20% | 21% | 4 year |
