|-------------------|--------------------------|------------------------------|
| Belmont Cragin    | 150                      | 50%                          |
| Montclare         | 51                       | 17%                          |
| Austin            | 50                       | 17%                          |
| Dunning           | 21                       | <b>7</b> %                   |
| North Lawndale    | 6                        | 2%                           |

#### 9th Grade On-Track

of 2021–2022 first-time 9th graders at Steinmetz were ontrack to graduate from high school in 4 years. A student is considered on-track to graduate at the end of their ninth-grade year if they have:

- Completed 5 course credits and
- Failed no more than 1 semester of a core course in their first year of high school

#### How do I use this dataset?

This report provides a snapshot of what 6 important milestones on the path to college completion look like for students at Steinmetz. The report can be a starting place to ask deeper questions about Steinmetz's data using the To&Through Online Milestones Tool like:

- What are the current milestone rates? How do these rates differ for different student groups?
- How have trends in these milestones changed overtime? What historical context and factors may have affected these rates?
- What additional context about student experiences can help me better understand these milestone rates?
