9th Grade On-Track at Noble St - Rauner

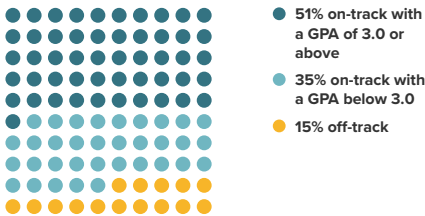

of 2022–2023 first-time 9th graders at Noble St - Rauner were on-track to graduate from high school in 4 years. Students who are on-track at the end of ninth grade are nearly three times more likely to graduate from high school than students who are off-track. A student is on-track if they earn at least 6.5 total credits by the end of ninth grade, meaning they can fail no more than 1 semester course (including non-core subjects). Additionally, students who obtain a 3.0 GPA or above in high school are more likely to graduate from a four-year college within six years.

What does 9th Grade On-Track look like at Noble St - Rauner and how does it compare to rates across CPS?

How does 8th grade performance relate to 9th grade success at Noble St - Rauner?

9th Grade On-Track and 3.0 rates for Noble St - Rauner’s first-time 9th graders over time

This graph did not show enough recent data and has been disabled.

This happens when, in two or more of the most recent five years, data was not available or there were fewer than 10 students in a group.

We use a 3.0 GPA (or “Bs or better”) as an early indicator of college readiness, because high school GPA is the best available indicator of college success.

How do 9th Grade On-Track rates vary by gender at Noble St - Rauner?

Across the city, we see differences in ninth-grade performance for young men and young women. Some of this difference is due to the different ways in which young women and young men experience the transition to high school. Explore [student OnTrack data](#) at Noble St - Rauner across genders to reflect on how your school is supporting the academic and social development of students of different genders.

High School Graduation at Noble St - Rauner

93%

of 2019–2020 first-time 9th graders at Noble St - Rauner graduated high school by spring of 2023. Graduating high school with a high level of academic achievement is among the most important markers along the road to college success. Students who graduate from high school with a GPA of 3.0 or above have at least a 50 percent probability of graduating from a four-year college within six years. In order to graduate from high school on time, students must obtain a minimum of 24 credits.

How many 9th graders at Noble St - Rauner graduated from high school and what were the college access levels of those graduates?

Our college access framework breaks students into different groups based on their graduating GPA and ACT scores (or converted SAT scores). Students with selective access are likely to be accepted to selective and very selective four-year colleges, students with somewhat selective access are likely to be accepted to somewhat selective and non-selective four-year colleges, and students with two-year access are likely to be accepted to two-year colleges.

College Enrollment at Noble St - Rauner

74%

of 2023 high school graduates from Noble St - Rauner enrolled in college in fall of 2023. Students' choice of college influences their likelihood of earning a college degree. Students who choose a college with a strong track record of graduating its students, and which fits their unique financial, geographic, and cultural needs, are more likely to earn a college degree or credential. College may not be the best path for every student, but due to data limitations, we are not currently able to track outcomes for non-college pathways (for example, military service, trade school, workforce).

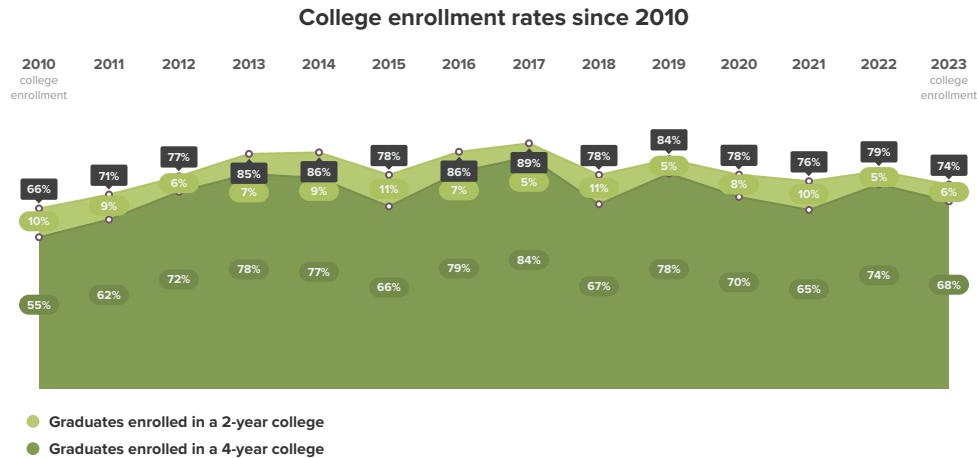

What institutions do Noble St - Rauner's college enrollees attend and what are the graduation rates of those institutions?

Students' choice of college influences their likelihood of earning a college degree. Students who choose a college with a strong track record of graduating its students are more likely to earn a college degree or credential.

2023 enrollment of Noble St - Rauner graduates by the 5 most commonly attended colleges

	Graduates Enrolled	URM Grad Rate	Institutional Grad Rate	Institution Type
University of Illinois at Chicago	13	52%	60%	4 year
National Louis University	10	36%	37%	4 year
Illinois State University	9	51%	66%	4 year
University of Illinois at Urbana-Champaign	9	73%	85%	4 year
Northern Illinois University	7	34%	50%	4 year

How have two-year and four-year college enrollment rates for graduates at Noble St - Rauner changed over time?

How do enrollment rates for 2-year and 4-year colleges vary by gender at Noble St - Rauner?
