## 9th Grade On-Track at Farragut

81%

of 2022–2023 first-time 9th graders at Farragut were on-track to graduate from high school in 4 years. Students who are on-track at the end of ninth grade are nearly three times more likely to graduate from high school than students who are off-track. A student is on-track if they earn at least 6.5 total credits by the end of ninth grade, meaning they can fail no more than 1 semester course (including non-core subjects). Additionally, students who obtain a 3.0 GPA or above in high school are more likely to graduate from a four-year college within six years.

### What does 9th Grade On-Track look like at Farragut and how does it compare to rates across CPS?

#### 2022–2023 Farragut 9th Graders

#### All 2022–2023 CPS 9th Graders

### How does 8th grade performance relate to 9th grade success at Farragut?

#### 9th Grade On-Track and 3.0 rates for Farragut's first-time 9th graders over time

We use a 3.0 GPA (or “Bs or better”) as an early indicator of college readiness, because high school GPA is the best available indicator of college success.

### How do 9th Grade On-Track rates vary by gender at Farragut?

Across the city, we see differences in ninth-grade performance for young men and young women. Some of this difference is due to the different ways in which young women and young men experience the transition to high school. Explore [student OnTrack data](#) at Farragut across genders to reflect on how your school is supporting the academic and social development of students of different genders.

## High School Graduation at Farragut

63%

of 2019–2020 first-time 9th graders at Farragut graduated high school by spring of 2023. Graduating high school with a high level of academic achievement is among the most important markers along the road to college success. Students who graduate from high school with a GPA of 3.0 or above have at least a 50 percent probability of graduating from a four-year college within six years. In order to graduate from high school on time, students must obtain a minimum of 24 credits.

### How many 9th graders at Farragut graduated from high school and what were the college access levels of those graduates?

Our college access framework breaks students into different groups based on their graduating GPA and ACT scores (or converted SAT scores). Students with selective access are likely to be accepted to selective and very selective four-year colleges, students with somewhat selective access are likely to be accepted to somewhat selective and non-selective four-year colleges, and students with two-year access are likely to be accepted to two-year colleges.

[Explore high school performance data](#) to see how college access changed over time at Farragut.

### How has the high school graduation rate and the proportion of students graduating with a 3.0 or above at Farragut changed over time?

#### 4-year high school graduation rates since for all 9th graders

No data available for prior years.

Students who graduate from high school with a GPA of 3.0 or above have at least a 50 percent probability of graduating from a four-year college within six years.

### How do High School Graduation rates vary by 9th grade on-track status at Farragut?

Explore [high school graduation data](#) to learn how predictive ninth-grade performance is of end-of-high-school outcomes at your school. This information can help school teams identify priority points of intervention for improving students' course performance.

# College Enrollment at Farragut

79%

of 2023 high school graduates from Farragut enrolled in college in fall of 2023. Students’ choice of college influences their likelihood of earning a college degree. Students who choose a college with a strong track record of graduating its students, and which fits their unique financial, geographic, and cultural needs, are more likely to earn a college degree or credential. College may not be the best path for every student, but due to data limitations, we are not currently able to track outcomes for non-college pathways (for example, military service, trade school, workforce).

## What institutions do Farragut’s college enrollees attend and what are the graduation rates of those institutions?

Students’ choice of college influences their likelihood of earning a college degree. Students who choose a college with a strong track record of graduating its students are more likely to earn a college degree or credential.

2023 enrollment of Farragut graduates by the 5 most commonly attended colleges

	Graduates Enrolled	URM Grad Rate	Institutional Grad Rate	Institution Type
University of Illinois at Chicago	8	52%	60%	4 year
City Colleges of Chicago-Malcolm X College	7	14%	14%	2 year
National Louis University	7	36%	37%	4 year
City Colleges of Chicago-Kennedy-King College	6	24%	26%	2 year
Northeastern Illinois University	6	11%	17%	4 year

## How have two-year and four-year college enrollment rates for graduates at Farragut changed over time?

## How do enrollment rates for 2-year and 4-year colleges vary by gender at Farragut?

Use Farragut’s [college enrollment data](#) to examine differences in post-secondary experiences across genders. What choices are students of different genders making around college enrollment?
